This Scavenger Hunt is a holiday program of Red Bank RiverCenter. We are a 501c3 not-for-profit alliance of local businesses, property owners, residents, and other stakeholders working to enhance and promote Red Bank's downtown district as a mid-Atlantic destination for dining, shopping, and culture. Since 1991, RiverCenter has supported the business community by recruiting new businesses to fill commercial vacancies and helping them navigate the various start-up procedures in town.
