# The GroGo Difference

## Quality

*Want the Best of the Bunch?* GroGo personal shoppers are trained to pick the highest quality produce available, know when to ask questions, and get the replacements you want.

## Communication

*Forgot Something?* To avoid inconvenience and solve any problems that may arise during your order, you will receive full access to your shopper. This includes anything from making changes to your order before checkout, to getting simple questions answered on replacements.

## Speed

*Need it Now?* GroGo shoppers immediately start to fulfill ASAP orders, sometimes completing them in one hour.

## Variety

*Want your Favorite Store?* GroGo shoppers are not limited to our local suggestions. We offer delivery from anywhere you need in town, and sometimes further.

## Transparency

*Why Ever Pay More?* Our prices are designed to compete with the largest grocery delivery services, while maintaining full transparency. Unlike our competitors, there are never hidden charges when ordering groceries with GroGo. To learn about our pricing and rates, visit [GroGoDelivery.com](http://GroGoDelivery.com).

## Meet the Founder

**Ryan Gogerty**

Our founder Ryan Gogerty graduated from Ridge High School in 2018 where he captained the football team and served as president of the Fellowship of Christian Athletes. He also enjoyed time throughout his high school career volunteering for St. Mark's Church, Ridge Touchdown Club's Spring Clean Up, and Morristown's Neighborhood House. Now studying Finance and Mechanical Engineering in Lehigh University's Integrated Business and Engineering Honors Program, Ryan looks forward to applying his business education and grocery experience working for Dean's Market to develop the most reliable grocery delivery service for Basking Ridge and the surrounding area.
